Fun questions but it is not good that they changed it so there is 5000 achievements. That removes all the seriousness in the game and that is just sad to see.. You get what you paid for, 5K achievements at minimum price. If you're an achievement hunter looking to increase the number of achievements on your profile showcase, then I highly recommend buying this. Else don't waste your money. This is not a game, it's just a way of distributing achievements.. Ez unlock 5000 Achievements 100%. Install > Play > Exit Game > Uninstall

The quickest way to farm Steam achievements! Only purchase this game for achievements! Does not have any real gameplay!.
